RECEIVER GENERAL'S OFFICE,
18th February, 1845.

SIR,—With reference to the first part of an Address of the Legislative Assembly, dated the 12th instant, relating to certain claims for Losses during the late War between Great Britain and the United States of America, referred to me in your note of the 14th, I beg to state, for the information of His Excellency the Governor General, that every particular relating thereto, with the nature of the claim, and the awards of the Commissioners thereon, are in the Books of the Library of the Commons House of Assembly.

The claims now remaining unpaid are enumerated in the accompanying Lists, marked No. 1, Third Instalment, 33 $\frac{1}{3}$ per cent, and No. 2, Fourth Instalment, 31 $\frac{2}{3}$ per cent, upon the original awards. The first amounting to the sum of £373 12s. 6d. and the latter to £1029 4s. 1d. currency.

Many of the abovementioned claims remain uncalled for; some are unpaid by reason of difficulties in identifying the representatives of parties deceased, others from opposing interests, and those marked D in red ink are detained on account of debts said to be due to Government by the original claimants.

The third instalment is paid in conformity with the Provincial Act 3d Will. IV, cap. 26 and 27, by the issue of Debentures bearing interest at 5 per cent per

annum; and in order to avoid making these Debentures in broken sums, (none having issued for less than £50,) there has been distributed in fractions, the sum of £554 13s. 4d. currency, over and above the amount so raised. This money has been borrowed from the Fund belonging to the fourth instalment created by Grant of the Imperial and Provincial Governments conjointly, forming a separate and distinct account, to which it will be refunded whenever a further issue of War Loss Debentures can be effected.

The unpaid balance remaining of the 1st and 2nd instalments, 10 and 25 per cent, Imperial Grants, was returned into the Military Chest in the year 1831, by order of the Lords of the Treasury, dated in February of that year.

The award to friendly Tribes of Indians was paid to and distributed by the Indian Department. The different claimants and mode of payment are alike unknown to this Department, no particulars having been furnished to the Receiver General from the War Loss Commissioners. For further information on this subject, reference is requested to the Chief Superintendent of Indian Affairs.

I have the honor to be, Sir,
Your most obedient humble servant,

W. MORRIS, R. G.

Assistant Secretary, West.

SIR,—With reference to that part of the Address of the House of Assembly requiring “the names of the “Indians entitled to such remuneration, whether it “has been paid them, and if so, by whom and when; “and also a detailed statement of the kind of evidence

“of such payment,” I am directed by the Governor General to inform you that this Department is not in possession of any information on the subject, but that an application will be made to the Chief Superintendent of Indian Affairs, who, it is possible, may be able to furnish some.

INDIAN OFFICE,
Toronto, 13th March, 1845.

SIR,—I have the honor to acknowledge the receipt of your letter of the 21st ultimo, requesting me to transmit to your Department any information in reference to the payment of the Indians for War Losses, that may be in my possession, and enclosing a copy of your letter to the Provincial Secretary, embodying the substance of an Address of the House of Assembly to His Excellency the Governor General on the subject.

In reply, I have to observe that shortly after my appointment to the office of Chief Superintendent, I was directed by the Lieutenant Governor to remit to Mr. Superintendent Ironside, the sum of £664 17s. 6d. and to Major Winniett the sum of £918 9s. 2d., making in all £1583 6s. 8d., being the third, and, I believe, the last instalment due for War Losses to the Indians under their superintendence. The list of vouchers I placed on the files of this office on that occasion I herewith transmit. The previous payments of the Indians were made by my predecessor, and as I do not find any vouchers for them in the office, I infer that they were at the time transmitted either to His Excellency the Lieutenant Governor, the Inspector General, or the Council Office.

In the vouchers for payments of the third instalment to the Six Nation Indians, the name of each individual who suffered loss is stated, and I presume the previous payments were made to the same individuals.

I have the honor, &c.
